The Shaler Area School District, located in Pittsburgh, PA, organized an educational foundation in 2014 dedicated to preparing students for successful careers and advanced study in a dynamic, technology-based, global environment. The Shaler Area Education Foundation is a 501(c)3 non-profit organization dedicated to supporting the educational needs and curricular advancement of the students in the Shaler Area School District (EIN 46-5018857). To achieve this goal, the SAEF will secure financial support through grants and donations to purchase necessary equipment and resources to advance current and potential programs. Funds acquired from corporate partnerships and individual donations will be used to purchase supplies, equipment and resources to improve the educational opportunities for all students at Shaler Area.
