

Counseling Resources

Note: Payment for counseling services is dictated by the child's health insurance coverage. Refer to the telephone # for "Behavioral Health" located on the back of the child's insurance card to find out what agencies/psychiatrists/mental health services are covered by the child's insurance. For a child covered by Medical Assistance, call your DPW caseworker or Community Care Behavioral Health Organization (CCBHO) at 1-800-553-7499
