

Shaler Area Backpack Initiative Donations through Amazon.com

The goal of the program is to provide each student and his/her siblings with two breakfast items, two lunch items, and two snack items. Food items need to be easy to transport as they will go home in bags with the students each Friday.

Food items can be purchased on Amazon.com and shipped directly to the Shaler Area Middle School.

To place an order for donation:

1. Go to www.amazon.com .
2. In the top service bar, there is a drop down menu for Wish Lists. Click on that.
3. Chose “Find a wish list or registry.”
4. Enter Shaler Area Backpack Initiative in the search bar.
5. Select items from the wish list that you would like to donate and add them to the cart. (In your shopping cart, under the item title, it will list that this is for Shaler Area Backpack Initiative’s wish list.)
6. At checkout, select Shaler Area Middle School (1810 Mt. Royal Blvd. Glenshaw, PA 15116) as the shipping address.
7. If you are shopping for yourself and also for the Backpack Initiative, please click on the option to ship to multiple addresses during checkout so that only donated items go to the middle school.
8. Continue normal checkout procedures.
