Go Buckets

The Shaler Area District Parent Council, in partnership with the district, launched a new initiative for the 2019-2020 school year to provide classrooms with a Go Bucket emergency kit. The Go Buckets are five-gallon buckets that include items that can be used in an emergency or extended lockdown situations. The DPC's initial efforts collected enough items to assemble 29 completed Go Buckets, which were delivered to Marzolf Primary School. The District Parent Council is looking to expand the program so that every classroom in Shaler Area has a Go Bucket. The group has set a goal to complete enough buckets for every classroom in the high school by the end of the 2019-2020 school year.
