PIAA & S.A.S.D. ATHLETIC PHYSICAL **PACKET**

TURN IN THE ENTIRE PACKET AT LEAST ONE WEEK PRIOR TO THE
START OF THE SEASON

THE COMPLETED PACKET CAN BE SCANNED AND EMAILED TO:
athletictraining@shalerarea.org (this email is for
physical submission only) OR TURNED IN TO THE
ATHLETIC OFFICE AT THE HIGH SCHOOL
ONLY

DO NOT TURN THE FORM IN TO A COACH OR OTHER PERSON

THERE ARE THIRTEEN (13) PAGES IN THIS PACKET:

- . Page 1: Cover Page
- . Page 2: Personal and Emergency Information
- . Page 3: Certification of Parent/Guardian
- . Page 4: Understanding of Risk of Concussion and Traumatic Brain Injury
- . Page 5: Understanding of Sudden Cardiac Arrest Symptoms and Warning Signs
- . Page 6: Supplemental Acknowledgement, Waiver and Release: COVID-19
- . Page 7: Health History
- . Page 8: PIAA Comprehensive Physical Evaluation
(physician signature and date required after June 1st)
- . Page 9: Shaler Area Policy 227.1 Acknowledgement Shaler Area Student Athlete Guidelines
- . Page 10: Shaler Area Student Athlete Guidelines
- . Page 11: Anti-Hazing Contract
- . Pages 12 & 13: UPMC Consent to Treat and HIPAA Form
(Shaler Area contracts for athletic training services through UPMC Sports Medicine, these forms are required by the athletic training staff.)

ALL PARENT/GUARDIAN SIGNATURES AND THE UPMC FORMS MUST BE COMPLETED AND SIGNED BY PARENT AND ATHLETES BEFORE OBTAINING THE PHYSICAL AT SCHOOL.

PHYSICALS MUST BE CERTIFIED NO EARLIER THAN JUNE 1 TO APPLY TO THE NEXT SCHOOL YEAR. All physicals, regardless of when obtained during a school year, expire on May 31st of that school year or at the end of the last season.

**PIAA COMPREHENSIVE INITIAL
PRE-PARTICIPATION PHYSICAL EVALUATION**

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the required Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, 5, and 10 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the latter of the next May 31st or the conclusion of the current spring sports season.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

B. **Understanding of eligibility rules:** I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature _____ Date / /

C. **Disclosure of records needed to determine eligibility:** To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature _____ Date / /

D. **Permission to use name, likeness, and athletic information:** I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature _____ Date / /

E. **Permission to administer emergency medical care:** I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature _____ Date / /

F. **CONFIDENTIALITY:** The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, **one or more** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
 - The right equipment for the sport, position, or activity;
 - Worn correctly and the correct size and fit; and
 - Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 350,000 cardiac arrests that occur outside of hospitals each year. More than 10,000 individuals under the age of 25 die of SCA each year. SCA is the number one killer of student athlete and the leading cause of death on school campuses.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- Dizziness or lightheadedness when exercising;
- Fainting or passing out during or after exercising;
- Shortness of breath or difficulty breathing with exercise, not asthma related;
- Racing, skipped beats or fluttering heartbeat (palpitations)
- Fatigue (extreme or recent onset of tiredness)
- Weakness; and/or
- Chest pains/pressure or tightness during or after exercise.

These symptoms can be unclear and confusing in athletes. Some may ignore the signs or think they are normal from physical exhaustion. If the conditions that cause SCA are diagnosed and treated before a life-threatening event, sudden cardiac death can be prevented in many young athletes.

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. The symptoms might mean something is wrong with the athlete and they should be checked before returning to play. When the heart stops due to cardiac arrest, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who experience a SCA die from it; survival rates are below 10%.

Act 73 – Peyton’s Law - Electrocardiogram Testing for Student Athletes

The Act is intended to keep student-athletes safe while practicing or playing. Please review the warning signs/symptoms and know that you can request, at your expense, an electrocardiogram (EKG or ECG) to help uncover hidden heart issues that can lead to SCA.

Why Do Heart Conditions That Put Youth at Risk Go Undetected?

- Up to 90 percent of underlying heart issues are missed when using only the history and physical exam;
- Most heart conditions that can lead to SCA are not detectable by listening to the heart with a stethoscope during a routine physical; and
- Often, youth don't report or recognize symptoms of a potential heart condition.

What is an Electrocardiogram (EKG or ECG)?

An ECG/EKG is a quick, painless and noninvasive test that measures and records a moment in time of the heart's electrical activity. Small electrode patches are attached to the skin of your chest, arms and legs by a technician. An ECG/EKG provides information about the structure, function, rate and rhythm of the heart.

Why Add an ECG/EKG to the Physical Examination?

Adding an ECG/EKG to the history and physical exam can suggest further testing or help identify up to two-thirds of heart conditions that can lead to SCA. An ECG/EKG can be ordered by your physician for screening for cardiovascular disease (ICD 10 code: Z13.6) or for a variety of symptoms such as chest pain, palpitations, dizziness, fainting, or family history of heart disease and will generally be paid for by insurance.

- ECG/EKG screenings should be considered every 1-2 years because young hearts grow and change.
- ECG/EKG screenings may increase sensitivity for detection of undiagnosed cardiac disease but may not prevent SCA.
- ECG/EKG screenings with abnormal findings will need to be evaluated by trained physicians.
- If the ECG/EKG screening has abnormal findings, additional testing may need to be done (with associated cost and risk) before a diagnosis can be made, and may prevent the student from participating in sports for a short period of time until the testing is completed and more specific recommendations can be made.
- The ECG/EKG can have false positive findings, suggesting an abnormality that does not really exist after more testing (false positive findings occur less than 3% of the time when ECG/EKGs are read by a medical practitioner proficient in ECG/EKG interpretation of children, adolescents and young athletes.).
- ECGs/EKGs result in fewer false positives than the current history and physical exam (10%).

The American College of Cardiology/American Heart Association guidelines do not recommend an ECG or EKG in asymptomatic patients but do support local programs in which ECG or EKG can be applied with high-quality resources.

Removal from play/return to play

Any student-athlete who has signs or symptoms of SCA must be removed from play. The symptoms can happen before, during, or after activity. Play includes all athletic activity.

Before returning to play, the athlete must be evaluated. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed this form and understand the symptoms and warning signs of SCA. I have also read the information about the electrocardiogram testing and how it may help to detect hidden heart issues.

SECTION 5: SUPPLEMENTAL ACKNOWLEDGEMENT, WAIVER AND RELEASE: COVID-19

The COVID-19 pandemic presents athletes with a myriad of challenges concerning this highly contagious illness. Some severe outcomes have been reported in children, and even a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable.

While it is not possible to eliminate all risk of being infected with or furthering the spread of COVID-19, PIAA has urged all member schools to take necessary precautions and comply with guidelines from the federal, state, and local governments, the CDC and the PA Departments of Health and Education to reduce the risks to athletes, coaches, and their families. As knowledge regarding COVID-19 is constantly changing, PIAA reserves the right to adjust and implement precautionary methods as necessary to decrease the risk of exposure to athletes, coaches and other involved persons. Additionally, each school has been required to adopt internal protocols to reduce the risk of transmission.

The undersigned acknowledge that they are aware of the highly contagious nature of COVID-19 and the risks that they may be exposed to or contract COVID-19 or other communicable diseases by permitting the undersigned student to participate in interscholastic athletics. We understand and acknowledge that such exposure or infection may result in serious illness, personal injury, permanent disability or death. We acknowledge that this risk may result from or be compounded by the actions, omissions, or negligence of others. The undersigned further acknowledge that certain vulnerable individuals may have greater health risks associated with exposure to COVID-19, including individuals with serious underlying health conditions such as, but not limited to: high blood pressure, chronic lung disease, diabetes, asthma, and those whose immune systems that are compromised by chemotherapy for cancer, and other conditions requiring such therapy. While particular recommendations and personal discipline may reduce the risks associated with participating in athletics during the COVID-19 pandemic, these risks do exist. Additionally, persons with COVID-19 may transmit the disease to others who may be at higher risk of severe complications.

By signing this form, the undersigned acknowledge, after having undertaken to review and understand both symptoms and possible consequences of infection, that we understand that participation in interscholastic athletics during the COVID-19 pandemic is strictly voluntary and that we agree that the undersigned student may participate in such interscholastic athletics. The undersigned also understand that student participants will, in the course of competition, interact with and likely have contact with athletes from their own, as well as other, schools, including schools from other areas of the Commonwealth. Moreover, they understand and acknowledge that our school, PIAA and its member schools cannot guarantee that transmission will not occur for those participating in interscholastic athletics.

NOTWITHSTANDING THE RISKS ASSOCIATED WITH COVID-19, WE ACKNOWLEDGE THAT WE ARE VOLUNTARILY ALLOWING STUDENT TO PARTICIPATE IN INTERSCHOLASTIC ATHLETICS WITH KNOWLEDGE OF THE DANGER INVOLVED. WE HEREBY AGREE TO ACCEPT AND ASSUME ALL RISKS OF PERSONAL INJURY, ILLNESS, DISABILITY AND/OR DEATH RELATED TO COVID-19, ARISING FROM SUCH PARTICIPATION, WHETHER CAUSED BY THE NEGLIGENCE OF PIAA OR OTHERWISE.

We hereby expressly waive and release any and all claims, now known or hereafter known, against the student's school, PIAA, and its officers, directors, employees, agents, members, successors, and assigns (collectively, "Releasees"), on account of injury, illness, disability, death, or property damage arising out of or attributable to Student's participation in interscholastic athletics and being exposed to or contracting COVID-19, whether arising out of the negligence of PIAA or any Releasees or otherwise. We covenant not to make or bring any such claim against PIAA or any other Releasee, and forever release and discharge PIAA and all other Releasees from liability under such claims.

Additionally, we shall defend, indemnify, and hold harmless the student's school, PIAA and all other Releasees against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including attorney fees, fees, and the costs of enforcing any right to indemnification and the cost of pursuing any insurance providers, incurred by/awarded against the student's school, PIAA or any other Releasees in a final judgment arising out or resulting from any claim by, or on behalf of, any of us related to COVID-19.

We willingly agree to comply with the stated guidelines put forth by the student's school and PIAA to limit the exposure and spread of COVID-19 and other communicable diseases. We certify that the student is, to the best of our knowledge, in good physical condition and allow participation in this sport at our own risk. By signing this Supplement, we acknowledge that we have received and reviewed the student's school athletic plan.

TO: PARENTS AND GUARDIANS

School activities are an important part of your school life. It is through involvement in activities that you are able to learn more about the workings of the school, go deeper into one particular field of interest, promote your own social life through associations with others and also have a good deal of fun. Participation in extracurricular activities is a privilege and also carries with it certain responsibilities as the school and community are being represented.

The student must follow academic eligibility policies as well as attendance and behavior regulations. Students who are absent on the day of the activity or club in which they are involved **cannot** participate in that event. This includes sports, school plays, musical, talent show, dances, band and band fronts, cheerleaders, etc.

The Shaler Area School District, recognizing the growing problem of drug and alcohol abuse among teens, has revised the drug and alcohol policy (Board Policy 227.1) that will pertain to all athletes and participants in any extracurricular activity as of February, 2001. Along with the above policies, participation will also be determined by compliance with Board Policy 227.1. *Compliance with this policy is mandatory in order for the student to participate in any extracurricular activity.

Please read, sign and return the bottom portion of this letter to the athletic office or activity sponsor/coach along with the physical and emergency cards if applicable. Participation in sports or seasonal-type activities cannot commence until this form is signed by both the student and the parent/guardian. This form shall be in effect for a period of twelve (12) months and shall cover participation in any sport or seasonal activity in which the student may participate during that twelve (12) month period.

Sign and Return

I have read the provisions of the Shaler Area School District's Policy 227.1, Drug and Alcohol Awareness for Seasonal Extracurricular Activities and Athletic Programs, as it pertains to participation in athletics and activities. I agree to comply with the rules and am aware of the consequences involved in the violation of this policy.

**SHALER AREA SCHOOL DISTRICT
ATHLETIC DEPARTMENT
STUDENT-ATHLETE GUIDELINES
SCHOLASTIC ELIGIBILITY-TRAINING RULES- COACH'S PEROGATIVE-
EQUIPMENT ISSUE- AGREEMENT**

The following are procedures and regulations relative to participation in the Shaler Area School District Athletic Program. Failure on the part of the student athletes to adhere to these procedures and regulations may subject the student athlete to probation, suspension, or dismissal from the activity in which they are participating.

STUDENT-ATHLETE GUIDELINES:

1. A student athlete's citizenship and conduct must be exemplary at all times. The conduct of a student athlete must be a positive reflection and representation of the Shaler Area School district.
2. A student athlete must at all times display a positive attitude toward the activity, toward his/her teammates, and toward the coach. Discourteous or inappropriate behavior will not be tolerated. The team and its success shall have preference over personal wishes and desires at all times.
3. Practice meetings, event attendance:
 - a. A student athlete shall attend all team functions (practices, meetings, and events) unless ill/injured and emergency situation develops, or a coach or doctor excuses a student. On non-school days, coaches must receive notice of the necessity that a student misses a practice, meeting, or event before the practice, meeting, or event is scheduled to begin.
 - b. A student athlete shall not be permitted to practice or participate in any competition during an "out of school" or "in school" suspension. In cases of discipline, students are obligated to meet their detention or disciplinary responsibilities prior to attending practices / events.
 - c. Except in cases of emergency, any team function missed without proper notification and/ or excused by the coach may result in probation, suspension or dismissal from the team.
 - d. Doctor, dentist and other similar appointments should be made during a time which will not interfere with the student's participation in a team function.
 - e. A student athlete must be in attendance at school on the day of an event (except Saturday) by 10:00 am in order to be eligible to participate in an event. Note: Saturday contests require Friday attendance.
4. A student athlete who is dismissed from a team for disciplinary reasons by the coach will not be eligible to participate on another team during the same season.

SCHOLASTIC ELIGIBILITY:

Determined in accordance with both PIAA eligibility requirements as well as current Shaler Area School District Policy relating to athletic eligibility requirements (refer to athletic handbook).

TRAINING RULES:

Student athletes must abstain from the possession of or use of cigarettes, cigars, chewing tobacco, alcoholic beverages, and non-prescribed drugs at all times. Failure to comply will result in suspension or dismissal from the team in accordance with the Shaler Area School District's Drug & Alcohol Policy for Extra-Curricular Activities and Athletics.

COACHING PREROGATIVE:

Subject to the Shaler Area School District policies and procedures, school regulations, and state and federal law. The coach is the decision-maker with regard to the following items:

1. Selection, placement and play of student-athletes.
2. Practice times, dates and procedures.
3. Establishment and enforcement of all guidelines and training rules related to an activity.
4. Event strategies.
5. Varsity letter awards.

EQUIPMENT ISSUE:

Each student athlete must return all issued equipment within two (2) days of the last game or practice of the season. The student athlete must pay for lost or stolen equipment or he/she will not be permitted to participate in any additional athletic activity. Stealing, possessing or wearing stolen equipment from a Shaler Area athletic activity will be cause for suspension or dismissal.

AGREEMENT:

We, the undersigned, have read the above procedures and regulations and do hereby agree to the terms as stated. Furthermore, we agree to first contact the "Coach-In-Charge" pertaining to any problem(s) dealing with player/team personnel in accordance with school policy. If necessary, a meeting will then be scheduled between the undersigned, the coach, and the Director of Athletics.

ANTI-HAZING CONTRACT

In accordance with the Shaler Area School District Policies hazing is not permitted. All acts of hazing by any organization, member, and/or alumni are specifically forbidden.

Hazing is: Any action taken, or situation created intentionally whether on or off campus, to produce mental, emotional, or physical discomfort, embarrassment, harassment, or ridicule. Such activities and situations may include, but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; quests; treasure hunts, scavenger hunts; physical and psychological shocks; inappropriate activities, wearing publicly any apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and/or any other activities that are not consistent with academic achievement, or that otherwise compromise the dignity of the individual including forced use and abuse of alcohol and drugs. Any activity where a single group of individuals are isolated for an activity beyond the normal scope of actions.

Students, who believe that the behavior of other student-athletes or staff is questionable, should bring the matter to a coach, the Athletic Director, or Principal. It is an obligation of all student-athletes to address inappropriate behavior or actions.

I fully understand the Shaler Area's policy towards hazing and initiation activity. I will not engage in any hazing or initiation activity. I further agree to provide an environment that is free from harassment of any kind.

As part of a contractual agreement with UPMC Sports Medicine, certified athletic trainers may aide in the prevention, recognition, evaluation, and treatment of athletic injuries. **Please note that the forms below have no relationship to your health insurance plan and in no way, influence your choice of medical care.** UPMC must have these forms completed to comply with privacy and standard consent to treat laws.

(1) UPMC Authorization for Release of Protected Health Information

- I authorize UPMC to provide information related to the athlete's care to family/school/team physicians, school nurses, coaches, athletic directors, school principals, EMS personnel, and such other persons as is necessary needed for them to provide consultation, treatment, establish a plan of care or determine whether the athlete may resume participation in school or sports activities.
- I authorize UPMC to use the athlete's medical information for UPMC internal departmental reporting purposes.
- I authorize UPMC (including its hospitals, other entities and programs) to use medical or other information maintained on electronic information systems or stored in various forms about the athlete's care, health care operations, or payment for treatment and services.
- I understand that the health record(s) released by UPMC may be re-disclosed by the facility/person that receives the record(s) and therefore (1) UPMC and its staff/employees has no responsibility or liability because of the re-disclosure and (2) such information may no longer be protected by federal or state privacy laws.
- I understand that this Authorization is in effect for a period of one year from the date signed by the athlete.
- I understand that this Authorization is in effect if the athlete is treated for an injury during off-season workouts; however, no time frame specified shall go beyond one year from the date of signature.
- I understand that I have the right to revoke this Authorization form at any time by sending a written request to UPMC at the location where the Authorization was provided.
- I understand that my decision to revoke the Authorization does not apply to any release of my health record(s) that may have taken place prior to the date of my request to revoke the Authorization.
- I understand that I am entitled to a copy of this completed Authorization form.

(2) UPMC Consent for Treatment and Healthcare Operations

I consent to the provision of care. I understand that this care may include medical treatment, special tests, exams, evaluation, treatment, and rehabilitation of athletic injuries. I acknowledge that no guarantees have been given to me as to the outcome of any examination or treatment and all results of any examination and/or treatment are kept confidential.

I understand and agree that others may assist or participate in providing care. This may include, but may not be limited to team physician, school nurse, and licensed physical therapists. Under the direction of a certified athletic trainer, college/university athletic training students and high school student aides may also provide care.

I acknowledge that no guarantees have been given to me as to the outcome of any examination or treatment.

In the event of ImPACT baseline testing, I understand the ImPACT baseline testing provided by UPMC Sports Medicine is not intended to prevent, diagnose, or treat a concussion and is not to be administered following a possible concussion. If the athlete suffers a concussion, the administration of an ImPACT post-test is generally conducted at the discretion of the concussion specialist at their facility.

(3) UPMC Privacy Practices

I understand that copies of the UPMC Notice of Privacy Practices document are available at the school, can be sent in the mail upon my request or viewed at <http://www.upmc.com/patients-visitors/privacy-info/Pages/default.aspx>. I give UPMC and its designees permission to use my information as described in the UPMC Notice of Privacy Practices.

By signing below, I am acknowledging the above (1) Authorization for Release of Protected Health Information, (2) Consent for Treatment and Healthcare Operations, and (3) Notice of Privacy Practices.
