November 1, 2021

Shaler Area families,

As we shared at the beginning of the school year, we will continue to provide families with a summary of the positive COVID-19 cases in our schools.

Below is a summary of the positive COVID-19 cases in our district since our last monthly report on October 4.

- One student at Shaler Area High School tested positive on October 4.
- One student at Marzolf Primary School tested positive on October 4.
- One student at Scott Primary School tested positive on October 4.
- One student at Shaler Area High School tested positive on October 5.
- Six students at Shaler Area Elementary School tested positive on October 7.
- One student at Shaler Area Middle School tested positive on October 7.
- One student at Marzolf Primary School tested positive on October 8.
- Two students at Shaler Area Elementary School tested positive on October 8.
- One staff member at Burchfield Primary School tested positive on October 11.
- One student at Shaler Area Elementary School tested positive on October 12.
- One student at Shaler Area Middle School tested positive on October 12.
- One student at Scott Primary School tested positive on October 12.
- One student at Shaler Area Middle School tested positive on October 14.
- One student at Shaler Area High School tested positive on October 14.
- Two students at Shaler Area Elementary School tested positive on October 15.
- Two students at Shaler Area Elementary School tested positive on October 18.
- One student at Shaler Area High School tested positive on October 19.
- One staff member at Burchfield Primary School tested positive on October 20.
- One student at Shaler Area High School tested positive on October 22.
- One staff member at Shaler Area Middle School tested positive on October 25.
- Two students at Shaler Area Elementary School tested positive on October 25.
- One student at Shaler Area Elementary School tested positive on October 27.
- One student at Shaler Area High School tested positive on October 27.
- One student at Shaler Area High School tested positive on October 29.

These cases have been added to the district's [COVID-19 Dashboard](#). As a reminder, daily notifications about positive cases will not occur this school year unless a student is identified as a close contact, however, a summary report will be shared with all families on a monthly basis.

Sincerely,

Dr. Sean C. Aiken
Superintendent of Schools

Dr. Bryan E. O'Black
Deputy Superintendent
