October 4, 2021

Shaler Area families,

As we shared at the beginning of the school year, we will continue to provide families with a summary of the positive COVID-19 cases in our schools.

Below is a summary of the positive COVID-19 cases in our district since our last monthly report on September 3.

- One student at Marzolf Primary School tested positive on September 3.
- One student at Shaler Area Elementary School tested positive on September 4.
- One student at Shaler Area High School tested positive on September 7.
- One student at Shaler Area High School tested positive on September 8.
- One student at Shaler Area High School tested positive on September 9.
- One student at Shaler Area Elementary School tested positive on September 9.
- One student at Shaler Area High School tested positive on September 10.
- Two students at Shaler Area High School tested positive on September 11.
- One student at Scott Primary School tested positive on September 12.
- Two students at Shaler Area High School tested positive on September 13.
- One student at Scott Primary School tested positive on September 13.
- Two students at Shaler Area Elementary School tested positive on September 13.
- Four students at Shaler Area High School tested positive on September 14.
- One student at Scott Primary School tested positive on September 14.
- One student at Shaler Area High School tested positive on September 15.
- Two students at Shaler Area Elementary School tested positive on September 15.
- One student at Shaler Area Elementary School tested positive on September 16.

- One student at Shaler Area Middle School tested positive on September 24.
- Two students at Shaler Area Elementary School tested positive on September 24.
- Two students at Shaler Area High School tested positive on September 27.
- One student at Scott Primary School tested positive on September 27.

- One student at Shaler Area Middle School tested positive on September 27.
- One student at Burchfield Primary School tested positive on September 28.
- Two students at Shaler Area High School tested positive on September 29.
- One student at Shaler Area Middle School tested positive on September 29.
- Two students at Shaler Area Elementary School tested positive on September 29.
- One student at Shaler Area High School tested positive on September 30.
- One staff member at Burchfield Primary School tested positive on September 30.
- One student at Shaler Area High school tested positive on October 1.
- Two students at Burchfield Primary School tested positive on October 1.
- One student at Shaler Area Elementary School tested positive on October 1.

These cases have been added to the district's [COVID-19 Dashboard](#). As a reminder, daily notifications about positive cases will not occur this school year unless a student is identified as a close contact, however, a summary report will be shared with all families on a monthly basis.

Sincerely,

Dr. Sean C. Aiken  
Superintendent of Schools

Dr. Bryan E. O'Black  
Deputy Superintendent
