Dear Shaler Area families,

This morning, Governor Tom Wolf announced that all K-12 schools in the commonwealth will be closed through the remainder of the 2019-2020 academic school year. Shaler Area School District will continue our Continuity of Education Plan and remote learning for the remainder of the school year. The district administration is in process of evaluating how to move forward with end of school year events, specifically related to our senior class.

For Governor Wolf's announcement about the closure and message with school communities during COVID-19, visit: <https://youtu.be/2uc-3WyknSk>

We will continue to provide updates as they are available. As always, thank you for your patience and understanding during this difficult time.

Sincerely,

Sean C. Aiken
Superintendent of Schools
