

Omega Psi chapter of Alpha Kappa Psi- Scholarship

Alpha Kappa Psi is a co-ed professional business fraternity founded in 1904 with the purpose of developing its members into principled business leaders. The Omega Psi chapter of Alpha Kappa Psi was chartered in 2005 at Carnegie Mellon University. The Alpha Kappa Psi chapter at CMU currently has 59 active brothers, and over 250 alumni. Although we are a business fraternity, our brothers hail from nearly every college at CMU – including majors from architecture to computer science. Our alumni have graduated to work in diverse and challenging fields such as finance, technology, government, consulting, and healthcare.

Our chapter provides a **scholarship of around \$1500 to a high school senior** in the Pittsburgh area who has demonstrated academic excellence and involvement in their communities. We do not have a limit for the number of students who can apply from each high school. Additionally, students may use this scholarship **at any 4 year public or private college for the 2024-2025 academic year**. The scholarship application is due by March 29th at 11:59pm EST.

Here is the [link](#) to apply.

Please contact us at madison2@andrew.cmu.edu or sarajd@andrew.cmu.edu if you have any questions.

Transcript requests due 2 weeks before scholarship deadline:
