Welcome Back Edition!*

Fundraising Efforts

As a PTO, we organize various fundraisers throughout the year. While it might feel like a lot, please know your contributions to these fundraisers help us immensely to support the wonderful programming throughout the school year. From supplying shirts to all kindergartners and new students and supporting house system activities to hosting events like Trunk or Treat and Cookies and Cocoa, plus funding educational assemblies and field trips – it's all powered by your support. Each contribution, no matter the size, chips in to build an even stronger school community. Together, let's make this year unforgettable for our kids!
