Homeroom Parties and Activities

Throughout the school year, the SPTO, with the help of homeroom parents and classroom helpers, plans and oversees a few special homeroom parties and activities.

A Quick Guide for New Families:

- **Homeroom Parents:** Two parents/guardians from our SPTO membership are selected to become 'homeroom parents' for each class based on preferences indicated on their SPTO membership form.
- **Classroom Helpers:** In addition to the homeroom parents, we welcome more SPTO members to step in as classroom helpers. They assist in coming up with fun activities that align with teachers' preferences and can be enjoyed within an hour.
- **Snack Time:** No need to think about treats! The SPTO provides snacks, all of which are given the green light by our school nurse for safety. With allergy concerns front and center, we ask families to hold back on sending any edible goodies into school.

Our first party of the year will take place on the afternoon of Tuesday, October 31, right after the Halloween Parade to celebrate Halloween!
