Thanksgiving Edition!*

Join the SPTO!

Joining the Scott Primary School Parent Teacher Organization (SPTO) is a meaningful way to support your child's education and be part of a community that enriches student life. Even if you can't donate your time or additional funds, your \$6 membership fee alone covers more than half of the \$10 yearly contribution the SPTO makes towards each student's field trip.

Membership also keeps you connected. You'll receive digital summaries of our monthly meetings, ensuring you're always in the loop. And your level of involvement is entirely up to you! While volunteering is welcome, it's not a requirement—your membership itself is a valuable show of support for our students, teachers, and school.

Join the SPTO today to make a positive impact in your child's education and our community.
