September 10, 2014

Dear Parent/Guardian:

The Curriculum Night for the Shaler Area Middle School is an opportunity to meet your child's teachers and to get an overview of the courses they are currently taking.

We invite you to attend Curriculum Night on Thursday, September 25, 2014, from 6:00 – 8:30 p.m. We will follow a Day 1 schedule.

- It is for both 7<sup>th</sup> and 8<sup>th</sup> grades.
- At 6:00 p.m. please join the principals in the auditorium for a brief welcome and information regarding SAMS.
- At 6:15 p.m. please report to your child's 1<sup>st</sup> period classroom. The names of the courses and room numbers are listed on your child's daily schedule or can be found in his/her agenda. Your child has completed a daily schedule and it will be available to you in period 1 class.
- You will follow your child's schedule from periods 1 through 8.
- In each classroom you will review the course syllabus and important information concerning that course.
- The Shaler Area Middle School Parent Association will be in the commons area accepting applications for membership and providing other information for parents.

Curriculum night is not designed for individual conferences about your child. If you would like to schedule a conference, please contact the team leader or the individual teacher.

Note: Parking is at a premium at the Shaler Area Middle School. There is no parking in the lot next to the Shaler North Hills Library. Please park in the lots at the end of the building nearest the shopping center. Carpooling is recommended.

We look forward to meeting you at this important event!

Sincerely,

Martin J. Martynuska, Principal

Shannon M. Howard, Assistant Principal
