September 8, 2015

Dear Parents/Guardians:

We are pleased to invite you to attend Shaler Area Middle School's annual Curriculum Night on Thursday, September 10, 2015 from 5:00 – 7:30 p.m. The program will begin with parents/guardians reporting to their child's 1st period class.

- This event is designed for the parents/guardians of 7th and 8th grade students only.
- Please plan to arrive at 5:00 p.m. and report to the 1st period classroom of your child.
- The names of the courses and room numbers will be listed on your child's daily schedule. Your child has completed a daily schedule and it will be available to you in your child's period 1 class.
- You will follow your child's schedule from periods 1 through 10. During your child's scheduled lunch period, please feel free to visit any of our other staff such as the principals, school counselors, librarian, etc. There will also be a few informational tables in our main lobby regarding school and district programs.
- During each class period, you will receive a brief overview of the academic program and course expectations for each respective class.
- Our Shaler Area Middle School Parent Association will be in the main lobby/cafeteria area throughout the evening. Please stop to support their membership drive and to learn more about our parent association.

As stated, curriculum night is a program for parents/guardians and is designed to provide an overview of your child's classes. If you would like to schedule a more in-depth meeting or conference with your child's teacher or team, please contact the individual teacher or team leader.

As you may know, parking is at a premium at our site. Visitors are asked not to park in the lot next to the Shaler North Hills Library. Please park in the lots at the end of the building nearest the shopping center and football stadium. Carpooling to our site is strongly recommended.

We look forward to meeting you on Thursday evening!

Sincerely,

Martin J. Martynuska, Principal

Shannon M. Howard, Assistant Principal
